

09 November 2020

Dear Parents/Caregivers

**HEALTHY SCHOOL LUNCHES TRIAL**

The first trial went very well. Although some children did not want the food or thought it wasn't very nice, the vast majority enjoyed their chicken pasta. We have given all feedback received to the potential supplier for their planning. One of the things that didn't help with a completely successful trial was the lateness of the food delivery, caused by a major traffic holdup following a car accident.

A second trial is being held on Wednesday 18 November and the food on offer this time is Spaghetti Bolognese. For children who cannot have beef, there will be a chicken bolognese alternative.

Would you please fill in the form below and return it to the office no later than this Wednesday 11 November.

Thank you.

**Child's Name:** \_\_\_\_\_ **Room:** \_\_\_\_\_

My child has permission to receive free lunch on Wednesday 18 November      Yes/No

My child is allowed to eat beef      Yes/No

**Food Allergies:** Please state any food allergies you child has, eg wheat, gluten, egg, soy:

**Phone:** \_\_\_\_\_

From the beginning of Term 1, 2021, these free lunches will be provided every day at West Harbour School. Before it starts, you will be given the opportunity to opt out of the programme and your child will not receive the lunches. Any 'opt out' that is notified will run for the entire term.
