

At West Harbour School we stand tall, proud and confident, continually discovering and applying new learning. Together we encourage our learning community to realise its unique talents and aspirations.

Have a Go Harbour Evening: How fantastic to see so many parents, family and children at our Have a Go Harbour evening last Thursday. Everyone seemed to be having a great time, taking part in a wide range of activities and meeting their children's teachers. This is the first time we have been able to hold the evening for four years and to have it be such a success was wonderful. Our thanks go to all of you for your support and to the community organisations who came along. If anyone has any feedback/suggestions for the next HaGH evening, we would love to hear from you.

School Swimming Sports: These are being held this Friday, 10 March, between 11.15 and 2.45 and are for our Y3 - Y8 students. Please make sure that your child has a hat and sunscreen, as well as a shirt to wear between events.

Cyclone Fundraiser: We will be holding a fundraiser on the same day as the school swimming sports - Friday 10 March. This will be a house colour mufti day, with a gold-coin donation. The money raised from this will be given to Otamatea School in Maungaturoto. If your child cannot wear their house colours, then they need to come in their uniforms. House tokens will be given to anyone in their house colours. No face painting please. Although the swimming sports are for Years 3-8, our Year 1 & 2 children are also welcome to wear their house colours, again with a gold coin donation.

NETBALL COACHES - URGENT RESPONSE NEEDED: Unfortunately, we have had no response to our request for anyone who might be interested in coaching one of the school's netball teams. Unless we have enough coaches, we will sadly need to pull out of the competition this year. If you can help us, please contact the school office.

Message from the Auckland Council

Installation of bollards at Flaunty Reserve between 11 and 24 of April There should be 4 corflutes (plastic signs) installed at each entry to the reserve in about a weeks' time, prior to bollards being installed.

We have planned this work during school holidays to minimise disruption to the public so hopefully it will be not too much of a problem for the nearby community and reserve users.
